CASE MANAGEMENT PROTOCOL**

29 **Paragraph II.C**

30 This Document Relates to ALL CASES

31
32 **ORDER**

33 This matter came on for hearing on June 10, 2013 on (A) Plaintiffs' Motion to Amend the
34 Discovery and Case Management Protocol to allow Plaintiffs freely to allocate deposition time
35 among the Plaintiffs, and (B) The State of California's Motion to correct a clerical error in the
36 Protocol. Having considered the briefs and arguments of counsel for all sides, the Special
37 Master finds the following: (1) Individual Action Plaintiffs have entered the MDL Proceedings
38 and desire to assist with the prosecution of this case; (2) Amending the Discovery and Case

1 Management Protocol will further cooperation between the Plaintiffs and allow discovery to
2 proceed efficiently; (3) Plaintiffs have established the requisite good cause for their proposed
3 amendment; (4) Defendants have not shown that they would suffer any prejudice by Plaintiffs'
4 proposed amendment; and (5) the Protocol contains a clerical error with respect to the deposition
5 time allocated to the State of California:

6 Accordingly, IT IS HEREBY ORDERED that the Motions are GRANTED and Section
7 II.C of the Discovery and Case Management Protocol (Dkt. 1128) is amended to state:

8
9 In the event the same witness is noticed by the Direct/Indirect Purchaser
10 Plaintiffs and counsel for any Individual Action Plaintiff and/or any State
11 Attorney General, the deposition will be limited to fifteen hours of
12 deposition, consecutive when reasonably practicable, with (7 hours)
13 allocated to the Direct/Indirect Purchase Plaintiffs for direct examination
14 of any witness who does not require a translator and four (4) hours
15 allocated each to the Individual Action Plaintiffs and separately to the
16 State Attorneys General for direct examination of any such witness.
17 Provided, however, that (i) any Plaintiff may, in their sole discretion,
18 cede their allocated deposition time to any other Plaintiff; and (ii)
19 counsel for the Individual Action Plaintiffs may take the lead in a
20 deposition. If the witness requests a translator, the time limits (and
21 number of deposition days) shall be extended as provided in Section
22 II.D. Plaintiffs shall notify defendants in advance of each deposition, as
23 soon as reasonably practical, of which Plaintiff group will be taking the
24 lead at the deposition.
